Copy of letter from the President, District Board, South Kanara, Ref.C.No.12393/C1/D.B.34, dated the 18th February 1935:-

*******

Subject:- Profession tax - Assessment and collection - Agency of the village officers - Continuance of - in addition to Inspectors of Profession tax and licence fees and bill collectors - whether permissible - Orders solicited.

In G.O.No. MS: 5296 L & M. dated the 10th December 1934, Government were pleased to sanction 4 posts of Inspectors for attending to the outdoor work relating to the licensing of the dangerous and offensive trades and the assessment and collection of profession tax in the taluks of Mangalore, Udipi, Kasargod and Coondapoor. They were also pleased to sanction 8 posts of bill collectors in connection with the same work. I solicit early orders of Government whether the agency of the village officers can be continued for the work of assessment and collection of profession tax in the taluks where the posts of profession tax and licence inspectors and bill collectors are sanctioned in the above G.O. in view of the fact that the above staff has been sanctioned by Government on a temporary basis and has been found quite inadequate to cope with the collection work in 343 villages in the four taluks.
